1	ALEXANDRA BURKE Hallelujah
Syco CD: 88697446252	
Composer: Leonard Cohen	
Website: http://www.alexandraburkeofficial.com	
B-Side: Candyman (live on The X Factor) / Without You (live on The X Factor)	
The biggest selling X-Factor winners song for years and the second single to feature Alexandra Burke after she was featured on the Charity Number 1 'Hero', which lost the top spot four weeks ago after spending three weeks at Number 1. Only artists who have knocked themselves off Number 1 - The Beatles, John Lennon and Elvis Presley - have had shorter visits between Number 1 by different records. Elvis managed to have just 1 week between appearances at Number 1 in 2005 with his re-release series - He was number 1 on 15, 22 Jan and 5 Feb with three different songs. Already the second biggest seller of 2008, 'Hallelujah' is highly likely to become the biggest seller of the year, a feat that no X Factor song has ever managed to do. Either way, Alexandra has the biggest seller of 2008 in one form or another - 'Hero' will be either the second or the biggest seller for 2008.

5	GERALDINE Once Upon A Christmas Song
Polydor CD: 1793980 DVDS: 1793981	
Composer: Peter Kay / Gary Barlow	
Line-up: Peter Kay	
Website: http://www.channel4.com/entertainment/tv/	
Tracks: Once Upon A Christmas Song / The Winners Song / Geraldine's Medley	
The week's biggest selling Christmas song (see our Christmas Chart for the other 44 Christmas songs that made the Christmas Top 200) and 'her', meaning Peter Kay's, second single as Geraldine McQueen.

36	LEONARD COHEN Hallelujah
Sony CD: NLB638860001	
Producer: John Lissauer	
Composer: Leonard Cohen	
Website: http://www.leonardcohen.com	
He has never - ever - charted a single in the UK before. He has never charted in the Billboard Hot 100 either. However, he has spent 209 weeks on the UK album chart, peaking at number 2 in May 1969 with 'Songs From A Room'. His album 'The Essential' returns at number 122 to the album chart this week. He has certainly done very well out of X Factor with 5 versions of his song making the Top 200 this week - 3 completely new to the Top 200 (Alexandra, above at #1, Bon Jovi, to follow and Leonard's own version.)

2	JEFF BUCKLEY Hallelujah
Columbia/Legacy CD: 88697098847 DL: USSM19400915	
Composer:	Leonard Cohen
Website:	http://www.jeffbuckley.com
<p>Stocks of the original 7" of this have long since gone and it has sold the 80,000 reported on BBC News online this week as a download-only track. Never destined to out-perform the X Factor Winner, this version is widely regarded to be the best. The Guardian Newspaper reported recently that 'Hallelujah' was becoming the most talked about song. Spurred by a fan campaign to get this track to Number 1 the song leaps 30-2 this week, and 29-2 on the Download chart. The last time that the same song, by different artists, has been at Number 1 and 2 was on 19 Jan 1957 when 'Singing The Blues' was at Number 1 for Guy Mitchell and Number 2 for Tommy Steele & The Steelmen. Jeff Buckley's fans wanted this track to be Number 1. They didn't get their wish this week, but they might the week after next. Next week will almost certainly be the X Factor winner because, statistically, the Christmas Number 1 stays at Number 1 for a few weeks into January. But, the chart for 10 Jan 2009... who knows!</p>

<p>Performed on The X Factor as a duet between Beyoncé and Alexandra Burke, it leaps 60-8 as a result. The track originally peaked at Number 16 on 3 March 2007 after physical release, and was taken from the DreamGirls soundtrack. Now, thanks to her appearance on The X Factor, it becomes Beyoncé's 11th Top 10 hit - and one of three Beyoncé songs in the Top 20.</p>
